

REMARKS

Claims 6-9 are now pending in the application. The amendments to the claims contained herein are of equivalent scope as originally filed and, thus, are not a narrowing amendment. The Examiner is respectfully requested to reconsider and withdraw the rejections in view of the amendments and remarks contained herein.

ALLOWABLE SUBJECT MATTER

The Examiner has indicated that claims 6-9 would be allowable if rewritten in independent form. Accordingly, Applicant has amended claims 6-9 to include the limitations of the base claims. Therefore, claims 6-9 should now be in condition for allowance. Inasmuch as the remaining claims have now been cancelled, it is respectfully submitted that this application is now in condition for allowance.

CONCLUSION

It is believed that all of the stated grounds of rejection have been properly traversed, accommodated, or rendered moot. Applicant therefore respectfully requests that the Examiner reconsider and withdraw all presently outstanding rejections. It is believed that a full and complete response has been made to the outstanding Office Action and the present application is in condition for allowance. Thus, prompt and favorable consideration of this amendment is respectfully requested. If the Examiner believes that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at (248) 641-1600.
